REQUEST FOR INFORMATION AND PURCHASE

Any request for information or purchase of this document may be sent to the Bureau de normalisation du Québec (BNQ) at 333, rue Franquet, Québec, Québec G1P 4C7
[telephone: 418-652-2238, ext. 2437 or 1-800-386-5114; fax: 418-652-2292;
E-mail: bnqinfo@bnq.qc.ca; Web Site: www.bnq.qc.ca].

REVISION OF BNQ DOCUMENTS

Collaboration from BNQ document users is essential in keeping our documents up to date. Therefore, any suggestion aimed at improving their contents will be appreciated. We ask you to send us your suggestions or comments on the form at the end of this document.

FIRST EDITION — 2010-01-12

This document is published in both French and English. In case of incompatibility, the French version prevails.

The electronic or printed version of this document is for personal use only. Distribution to third parties, partners or clients, as well as saving, distribution or use on a computer network is forbidden without written agreement from the BNQ.

Only purchasers duly registered with BNQ Customer Service will receive document updates. Notifications and the catalogue may be consulted at all times on the BNQ Web site [www.bnq.qc.ca] to verify if a more recent version of a document exists or if amendments or errata have been published.

If a registered purchaser wishes to continue to receive updates, the purchaser must inform BNQ Customer Service of any change of address as soon as possible.

NOTICE

UNDERSTANDING OF THE NOTION OF EDITION

It is important to note that this edition implicitly includes all the amendments and errata that might eventually be developed, and published separately. It is the responsibility of the users of this document to verify if any amendments or errata exist.

INTERPRETATION

The verb **shall** is used to express a requirement that is mandatory in order to comply with this document.

The verb **should**, or the equivalent expressions **it is recommended that** and **ought to**, are used to indicate a useful, but not mandatory, suggestion, or to provide the most appropriate means of complying with this document.

Except for the notes presented as **normative notes** that contain mandatory requirements and are stated only in the lower part of figures and tables, all other **notes** are **informative** (non-mandatory) and provide useful information pertaining to the understanding or intent of a requirement, or to add some clarification or precision.

Normative annexes provide additional requirements that are mandatory in order to comply with this document.

Informative annexes provide additional information (non-mandatory) intended to assist in the understanding or use of elements of this document or to clarify its implementation, but they contain no requirements that are mandatory in order to comply with this document.

**PRODUCTS USED AS DUST CONTROL AGENTS FOR
NON-ASPHALTED ROADS AND OTHER SIMILAR SURFACES –
CERTIFICATION PROTOCOL**

1 PURPOSE

The purpose of this document is to establish the certification requirements, rules of procedure and marking requirements applying to the certification of products used as dust control agents for non-asphalted roads and other similar surfaces according to the requirements of Standard BNQ 2410-300.

This document is for manufacturers seeking to have the conformity of their products recognized by the Bureau de normalisation du Québec (BNQ).

2 NORMATIVE REFERENCES

In this document, a dated normative reference means that this specific edition shall be used, while a non-dated normative reference means that the last edition of this reference shall be used.

For the purpose of this document, the following reference documents contain the necessary requirements and are referred to in appropriate places in the text:
