

NOTICE OF MODIFICATION TO THE REQUIREMENTS OF THE CERTIFICATION PROGRAM

CERTIFICATION REQUIREMENTS BNQ 3660-950

Date

2023-12-18

Updating of the certification requirements BNQ 3660-950 in reference to the certification protocol BNQ 3660-959/2016-04-02

The aim of this notice is to inform you of:

- the updating of the certification requirements BNQ 3660-950 in reference to the certification protocol BNQ 3660-959/2016-04-02.

The document Certification Requirements BNQ 3660-950 has been updated to add Amendment M1 of the standard BNQ 3660-950 published on 2020-01-28 to Table 1. As well, the format of Table 3 has been updated to reflect the latest version used by BNQ. No transition period will be required, and the changes will be effective immediately as they have no impact on the certification process and for manufacturers holding a certificate of conformity.
